## QPE MAKES FURTHER APPOINTMENT TO OPERATIONS TEAM

Queen's Park Equity ("QPE") is delighted to announce a further appointment to its operations team.

Alex Postlethwaite joins the operations team as Head of Finance, bringing several years of fund & GP accountancy and transactional experience.

Commenting on the appointment, Jonny Kay, Managing Partner, said: "We're delighted to welcome Alex as we continue to build out our operations team. His appointment comes at a very busy and exciting time as we see continued strong deal-flow in both new investment opportunities as well as bolt-ons to our existing partner firms." Jose Rodriguez, Managing Partner, added: "Alex's appointment adds to QPE's vision of building a team with not only exceptional technical ability but also with strong EQ, a common trait across the entire team." The appointment brings the QPE team to 15 across investment, origination and operations.

QPE closed its over-subscribed debut fund at £202m in December and is focused on providing capital and expertise to high-quality, entrepreneur-led businesses within the Education, Health & Pharma and Tech Services sectors, with an ambition to accelerate their growth.
