## QPE MAKES FURTHER APPOINTMENT TO INVESTMENT TEAM

Queen's Park Equity ("QPE") is delighted to announce a further appointment to its investment team.

Nick Manning joins the investment team from Livingbridge, bringing several years of transaction and board experience. He has worked with businesses across the healthcare and business services sectors, helping them to deliver ambitious strategies and become market leaders. Prior to Livingbridge, Nick spent three years at Arrowpoint Advisory, having previously worked at KPMG.

Commenting on the appointment, Jonny Kay, Managing Partner, said: "We're delighted to welcome Nick as we continue to build the team following the closing of our debut fund in December. His appointment comes at a busy and exciting time for QPE, as we continue to see strong deal flow in both new investment opportunities and bolt-ons to our existing partner firms." Jose Rodriguez, Managing Partner, added: "Nick's appointment adds to QPE's vision of building a team with not only exceptional technical ability and relevant sector experience, but also with the strong EQ required to succeed in today's private equity environment." The appointment brings the QPE team to 14 across investment, origination and operations.

QPE closed its over-subscribed debut fund at £185m in December and is focused on providing capital and expertise to high-quality, entrepreneur-led businesses within the Education, Health & Pharma and Tech Services sectors, with an ambition to accelerate their growth.
